Preschool Programs

Leap Into Learning (Ages 4-5yrs)

This is a perfect stepping stone from being at home to going off to a full day of school. We will learn basic skills including, numbers, letters, colors, shapes, music, art and other fundamentals necessary to succeed in Kindergarten. Each class participant will enjoy circle time, center time, play time and snack time. We will also teach children skills such as sharing, manners, hygiene and group participation. The best part is that this 3 hour class will allow participants to engage in social activities and interactive play without realizing how much they are learning along the way! All children must be potty trained. All children will need to bring a snack and drink each day.
